## MUNICH CYBER SECURITY CONFERENCE 2025

FEBRUARY 13/14, 2025 / MUNICH / CHAMBER OF COMMERCE MUNICH (IHK)

### PARTNERING OPPORTUNITIES 2025

Why partner with the Security Network Munich Cyber Security Conference series?

- › Be part of an exclusive community
- › Enjoy unique networking opportunities
- › Enjoy international visibility

The events of the Security Network Munich – a Munich based not-for-profit association for the promotion of cyber-security- are offering companies partnership opportunities. The Cyber Security Conference series are only possible because of the constant support of its members, partners and through partnerships. They contribute to the organization and management of the annual international Munich Cyber Security Conference MCSC promoting cyber-security through dialogue and cooperation among international decision-makers from public and private sectors. For 2025 we are envisioning an exclusive event at Chamber of Commerce Munich (IHK). Keynotes and panels will be recorded and made available for a broader audience.

The following options are available for partnering the MCSC 2025:

#### MAIN PARTNER (35 K€)

- Opportunity to deliver remarks at exclusive pre-conference reception
